 debbiedoubra  12/26/2017  Prayer  4 Comments

Sometime in January 2017, I was informed about a fully funded scholarship for a masters degree in Scotland, UK. I was so excited and decided to apply for it, because i had always wanted to do my masters but did not have the needed funds. So I started by applying for admission for my desired course. I got a condition offer admission three times because they needed IELTS exams score as proof for my English proficiency. The time was too short to go get that so i prayed to God to ...

God Of Compass, GPS And Maps Too

 jayabalan  11/25/2017  Prayer  3

I own a resort in a very scenic and remote location of the Western Ghats, South India. Since I was passionate about nature and wildlife, I invested my entire savings, a huge bank loan and also subsequent earnings from it (all eggs in one basket). Unlike other resorts we had a very strict eco-code policy and admitted tourists who are aware and passionate about nature. In feb this year acting on a baseless complaint about encroachment from an ex-politician the forest dept, hastily asked us to close the resort ...

In 2015, I started living with a very toxic person and that took a toll on my life as a whole, especially socially & self-esteem wise. This person would continuously abuse me verbally and just drain my energy and self-belief. I began praying to God about it and I said that I would share my testimony when He eventually answered! He did! By 2016, I was out of there! He indeed answers prayers!! To anyone who is reading this, that feels stuck in a place or situation in their lives, ...

I wanted to share a testimony about a time in my life when God promoted me in the company I was working for. I had been working at my job for 8 years and had gotten to a point where I was the most senior person on my team. A lot of the staff would come to me when they had questions or for me to give them advice about how they were handling their clients, and I was known in the agency for being the best when it came ...

Overcoming Indecisiveness

 Antoinette  10/20/2017  Prayer  4
Comments

Hello, I'm a 15 year old and because of the joy I experienced in trusting God. I wanted to share my testimony. One day my friends and I were going to to school for homecoming, and because I'm really shy and don't like to go out I really didn't want to go. I'm also really indecisive. I wanted to go because it would be my chance to have fun with my friends and enjoy myself for once. But then I didn't want to go either. But all I could ...

Believing God For An Unforeseen Miracle

 Lorenzo  10/1/2017  Prayer  5
Comments

I just wrote an exam last week, but the exam was badly written that I have lost confidence of acquiring a good result and subsequently gaining my entrance into one of the most prestigious universities I have longed for. Since then I have been speaking to God to help me and make me pass. I haven't showed so much faith in God in recent times, but this I believe and I conceive it that God will help me and I will be victorious at the end..... If you are reading ...
